REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the allowability, at least in part, resides in the structure for cooling a processor comprising a hybrid heat transport having a plurality of air channels interfacing with an at least one of air channel of a fan/sink assembly and a fluid channel including an inlet and outlet further removing heat from the processor and a bottom plate that is coupled to the plurality of air channels and the fluid channel and coupled to the processor; and the cooling method that includes steps of monitoring a temperature of the processor and steps of circulating air and fluid in the structure as required to keep the processor adequately cooled.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Boris L. Chervinsky whose telephone number is 571-272-2039. The examiner can normally be reached on 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jayprakash N. Gandhi can be reached on 571-272-3740. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
